Comment [AL1]: This will be a workshop for 8th grade students in which we:

1. Give an overview of the United Nations.
2. Give an overview of a Model United Nations.
3. Give an overview of human rights and security issues.
4. Learning about funding formulae.
5. Learn about outline for writing resolutions.

Resolution writing can then begin earlier for 8th grade students and teachers and they can be E-Mailed back and forth between schools and Civitas. We can even have an on-line Model U.N. during the winter and then have special resolutions for our sessions in the Spring.
