Citizens for Global Solutions of Greater St. Louis will provide transportation, registration, meals, & lodging for any college student or for a high-school junior or senior to participate in the Citizens for Global Solutions national assembly in Washington DC.

The conference begins at 8:30 a.m. Thursday, March 15, so you should be able to leave St. Louis Wednesday. The conference ends Saturday, March 17 at 5:00 p.m., so you could be back that night if you wish. If you want to do sightseeing in Washington on Saturday, we will also provide hotel lodging for you for Friday night (but not extra meals). The cherry blossoms will be at their best. Getting to & from the St. Louis airport is your responsibility.

If you want to be a contestant for this all-expenses-paid trip, write a 3-5 page printed essay (double-spaced) consisting of 2 parts. In the first part tell us about your background and accomplishments. Why would you be a good person for us to send to this meeting? In the second part share with us your thinking about one or more of the problems our world community faces and how we and our government could deal with them more effectively.
