

Ferguson & Beyond:

Another look at the injustices of poverty in the St. Louis region

Join Civitas on Saturday, September 24th for a special guest speaker. We've invited **Michael-John Voss**, from the **Arch City Defenders**, to speak with students.

The Arch City Defenders are lawyers and legal experts that have put the municipal court shenanigans in the national spotlight, assisted in recommendations/reforms after the events of Ferguson, and helped ensure that poor people are treated fairly by the justice system.

The morning will have a short presentation, a Q&A session, and an in-depth look at how a disparity in income sometimes creates a disparity in justice.

When: Sat., Sept. 24, 9-11 am

Where: Civitas Office
10845 Olive Blvd., Suite 155, 63141

Cost: Free (But please R.S.V.P.!)
