

Everyone is reading this book

& so is Civitas!

In the fall of 2017, Civitas is starting a fun (and voluntary) book club for students. During the first semester we are reading, 'The Hate U Give' by Angie Thomas.

This is a timely young adult novel about a 16 year old black girl who navigates two worlds: the poor black neighborhood where she lives and a wealthy suburban prep school. The balance of these two worlds collapse when she sees her childhood friend die at the hands of a cop.

We have a few copies of the book we're loaning out to students and on **December 2**, there will be a special discussion group to talk about it.
